

Studio Damiani  
CMU, Arch #48-205  
Spring 2005, M/W/F 1:30-4:20 Off. Hr: By appt.

Project 2

### **03.28.05 Faculty Switch**

Upcoming studio classes:

In addition to your design development you are required to have the following for each class period. Incomplete work will not be reviewed.

### **03.30.05 Due @ 1.30 pm**

Wall Section @ 1 1/2" = 1'-0" (Including major materials, material joints and connections w/ proper line weights drafted on vellum and label each material)

Method of review: Instructor pin-up

### **04.01.05 Due @ 3.00 pm**

(6 large perspectives) 3 showing the building in the urban context, 3 showing views of the interior spaces (20" x 30" min. each) one must be a constructed perspective drafted on vellum

Method of review: Instructor pin-up

### **04.04.05 Due @ 1.30 pm**

1. Street elevation with shadows @ 1/4" = 1'-0" drafted on vellum or plotted computed drawing
2. Cross Section @ 1/2" = 1'-0" drafted on vellum or plotted computed drawing
3. Revised Wall Section @ 1 1/2" = 1'-0" drafted on vellum or plotted computed drawing
4. Study model @ 1/4" = 1'-0"
5. Plans @ 1/4" = 1'-0" drafted on vellum or plotted computed drawing

If any drawing is missing proper line weight it will not be reviewed.

Method of review: Instructor pin-up

### **04.06.05 Due @ 1.30 pm**

Exploded Axonmetric of components @ 1/4" = 1'-0" drafted on vellum or plotted computed drawing

Site Plan @ 1/16" = 1'-0"

Method of review: Instructor pin-up or guest juror
