

assignment 2

01.20.06.F issued

01.23.06.M due

design - project responses

*mobile library*

1. explore: 3 (min.) alternative responses to problem/program statement
2. draw+ build
  - models (1/4"=1'-0") explore model materials to express ideas
  - drawings, sketches, perspectives, axons (1/4"=1'-0"), as required to present 'big idea'
  - presentation may be loose, but convey overall concept
3. find
  - images that influenced or inspired your 'big idea' (not necessarily of a building)
  - images of materials used in a method you may pursue
4. discuss: come prepared to discuss your initial response
5. read: article issued in class
