Welcome "Postwar Modern" Students

January 6, 2010 · [Leave a Comment](#)

Welcome to the class Blog for the "Postwar Modern Architecture & Theory 1945-1975" course (#48-350) in S'10.

We will use this blog to store and share our research on important examples of postwar modern architecture in Pittsburgh. Students will be adding info and editing the pages over the course of the semester.

If you are a visitor, feel free to add info or useful links to any of the pages via a comment.
