

Circle K @ CMU

A newsletter for service-minded students at Carnegie Mellon University

September 2002

Circle K Wants YOU!

Circle K is looking for any and every student who is excited to do service. Whether you can commit 1 hour or 10 hours a week, we invite you to join our weekly service projects around the Pittsburgh area. We visit the Greater Pittsburgh Food Bank, Miryam's Women Shelter, Frick Park, and many other places. Circle K International is the collegiate member of the Kiwanis Family which also includes Key Club at the high school level. For more information, please come to one of our info sessions listed on the bottom of this newsletter.

Visit to Residence on Fifth

On our first service project this semester, we visited Residence on Fifth, a senior citizens home not far from campus. In the warm atmosphere of the home, the young and elderly played several entertaining games of Bingo. From the residents, we learned the secrets of selecting a bingo card: pick one that has both your lucky number, your house number, and the number 37! We will continue to visit Residence on Fifth throughout the year, so don't miss out!

Spring Carnival

Circle K members were out in full swing on the Midway during Spring Carnival with our Bird Cage booth. We raised over \$200 for the Cystic Fibrosis Foundation with our traditional Skee-ball game despite being rained out on Saturday night. Many thanks go to Seung Yun Lee, our Booth chair who made it all possible.
