

Dear Prospective Student,

Hi! My name is Nicole Cheberenchick. I am a sophomore at Carnegie Mellon University in CIT, majoring in Civil Engineering and French and Francophone Studies. I'm a member of the Lambda Sigma Honors Society and the Kiltie Band, where I dance during the football season and play flute during the off-season. I am also the dance captain of the Carnegie Mellon University Majorettes.

I also know that when I was in your position last year, I didn't enjoy reading all this mail, so I want to keep this short:

This letter goes out to you to make you aware of this opportunity at Carnegie Mellon. If you play an instrument, prefer to dance, want to do both, or want to learn either, you should get involved in the Kiltie Band and Majorettes. *You do not need any prior experience twirling; I will gladly teach you everything you need to know!*
