"Mohammed A. Zidan is currently a postdoctoral fellow at the University of Michigan, Ann Arbor. He got his Ph.D. Degree in the Electrical Engineering from King Abdullah University of Science & Technology (KAUST), Saudi Arabia, in 2015, with GPA 4.0. Mohammed received his M.Sc. and [B.SC](). Degrees in electronics and communications engineering from Cairo University and Institute of Aviation Engineering and Technology (IAET), in 2010 and 2006 respectively, where he was ranked first in both of them. His research interests are RRAM circuits & systems, non-von Neumann computing, and computer arithmetic. Dr. Zidan is a recipient of the IEEE Circuits and Systems (CAS) Society Pre-Doctoral Fellowship, which is offered annually to two Ph.D. students worldwide. In 2015, Mohammed attended the Lindau Nobel Laureate Meeting, where 650 among the most qualified young scientists worldwide were invited to the event."
