

Speaker Profile

 Contact Details Sungkyunkwan Univ. Name: Geun-Young Yeom Address: Sungkyunkwan Univ. Materials Eng. Dept. Jangan-Gu Chunchun-Dong 300 Suwon,440-746, Korea Phone: +82-31-290-7395 Fax: +82-31-290-7410 Email: gyyeom@skku.edu Website: http://spl.skku.ac.kr	Name : Geun-Young Yeom Title : Professor Institute : Materials Science & Engineering Dept. Sungkyunkwan Univ., KOREA Work Experience: 2001.3- Present Professor, Materials Science & Engineering Dept. Sungkyunkwan Univ. 1999.8 – 2001.2 Visiting Scholar, Materials Science & Engineering Dept., University of California at Berkeley, USA 1996.3 – 2001.2 Associate Professor, Materials Engineering Dept., Sungkyunkwan University 1992.3 – 1996.3 Assistant Professor, Materials Engineering Dept., Sungkyunkwan University 1991.5 – 1992.3 Sr. Process Engineer TDK(Silicon Systems Inc.) 1989.8 – 1991.5 Process Development Engineer Tektronix Inc. 1989.8 – 1991.5 Research Assistant University of Illinois Urbana-Champaign Education: 1984 – 1989 University of Illinois at Urbana-Champaign Ph. D. in Materials Science & Engineering 1981 – 1983 Seoul National University, Seoul, Korea M.S. in Metallurgical Engineering 1977 – 1981 Hanyang University, Seoul, Korea B.S. in Metallurgical Engineering Laboratory Semiconductor processing laboratory http://spl.skku.ac.kr Ph. D. candidates : 10 M.S. candidates : 6 Field of Study : - Nanodevice etching (Neutral beam etching, Atomic layer etching) - Atmospheric pressure plasma (surface treatment, carbon nanotube growth) - Large area high density plasma (high density plasma for TFT- LCD)
