Organization

Name:

Department of
Biological Sciences,
KAIST

Address:

373-1, Kusung-dong,
Yusung-gu, 305-701,
Daejeon, Korea

Phone:

82-42-869-2616

Fax:

82-42-869-2610

Email:

hskim76@kaist.ac.kr

Website:

Name : Hak-Sung Kim

Title : Professor

Institute : KAIST

Education :

1980 : BS in Chemical Engineering, Seoul National University

1982 : MS in Biochemical Engineering, KAIST

1985 : Ph. D in Biochemical Engineering, Technical University of Compiegne, France

Research area :

Nano-Biochips

Protein design and evolution

Experience :

1986-1988 : Senior Researcher, KRIBB

1988-1990 : Assistant Professor, Dept. Biological Sciences, KAIST

1990-1995 : Associate Professor, Dept. Biological Sciences, KAIST

1997-1998 : Visiting Professor, Dept. Chem. Eng., North Carolina State Univ., USA

1996- present : Professor, Dept. Biological Sciences, KAIST
