Grading Methodology

Each category will be assigned a number. In order to weight ideas differently, that number will shown as a fraction, for example: 2/3 would be two points earned out of a total of three possible. This grade will comprise 20% of your semester grade, thus the 20 point scale.

Grade	Category	Note
/3	Idea	
/3	Realization of Idea (Did you follow through well on your idea?)	
/3	Success of 4th Dimension (moment to moment)	
/2	Research	
/2	Project Letter	
/2	Use of Space	
/2	Storyboard (model or drawings): exploration and craft	
/2	Sketches/Model: exploration and craft	
/1	Growth during the Process	
/20 or /100%	Final Grade
