

Scene Design One-Grade Sheet
Spring 2011

Student _____

The Physicists

Grading Methodology

Each category will be assigned a number. In order to weight ideas differently, that number will shown as a fraction, for example: 9/10 would be nine points earned out of a total of ten possible. This grade will comprise 20% of your semester grade.

Grade	Category	Note
/4	Idea	
/4	Realization of Idea (did you follow through well on your idea?)	
/3	Research	
/3	Director's Letter	
/2	Use of Space	
/3	Model descriptiveness/exploration/craft	
/1	Growth during the Process
