Goals

**The mini will focus on Adobe Photoshop. We will also briefly look at Sketch-Up. Bu
the end of the course you should be able to:**
- **Think and communicate in Adobe Photoshop.**
- **Add Photoshop to your toolbox of skills for**
  - **Drawing**
  - **Painting**
  - **Collage**
  - **Photo-alteration and manipulation**
- **Have an elementary facility with Sketch-Up**

- Consider Photoshop for the Theatrical Designer a job.
- You get one free missed class.
- Grade goes down one letter grade for each unexcused missed class after one.
- More than 15 minutes late equals an absence.

Project Lateness Policy

No late projects will be accepted. However, grades can be changed for projects that are
handed in on the due date and then improved later.
