Pittsburgh, PA 15222

Dear Judy:

We want to express our appreciation to you for the fine piece about our office in the January 16 edition. It's gratifying to read an accurate account of an interview!

We must compliment you on those perceptive questions which were the framework of the interview. As someone who had never met a landscape architect before, you picked up quickly on what makes us run.

Come back anytime. Thanks.

Sincerely,

William G. Swain - Bill
