It is believed to exist somewhere in Florida, though it is only a legend. Legend has it that Juan Ponce de León heard of it from the natives of Puerto Rico when he conquered the island. Growing dissatisfied with his material wealth, he launched an expedition to locate it and in the process discovered Florida. Though he was one of the first Europeans to set foot on the American mainland, he never found it. What was he searching for?
The Fountain of Youth
This word sometimes refers to a place where people wait before being sent to heaven or hell. The state of indeterminacy comes from the Latin for "border". The word is also used to refer to a kind of dance which requires great suppleness. The dance and the place are not related though, except that they have the same name. They have different word origins too. Identify the word.

X has had 4 logos till date

1) The logo that was used from 1924 to 1946. The logo is in a form intended to suggest a globe, girdled by the word Y.

2) The logo that was used from 1947 to 1956. The familiar "globe" was replaced with the simple letters X in a typeface called "Beton Bold."

3) The logo that was used from 1956 to 1972. The letters took on a more solid, grounded and balanced appearance.

4) In 1972, the horizontal stripes now replaced the solid letters to suggest "speed and dynamism." This logo (in two versions, 8-bar and 13-bar), as well as the previous one, was designed by graphic designer Paul Rand

“He was hardly more than five feet four inches but carried himself with great dignity. His moustache was very stiff and military. The neatness of his attire was almost incredible; I believe a speck of dust would have caused him more pain than a bullet wound. Yet this quaint dandified little man who, I was sorry to see, now limped badly, had been in his time one of the most celebrated members of the Belgian police”
