META-ARTEFACTS AND  
THE ARCHIVE BETWEEN  
REALITY / FICTION

## THE ARCHIVE.

- 2 Abode of the Man Without Qualities.
- 4 [T]here must also be a sense of possibility.
- 8 Kakania.
- 11 The most important attempt of all.
- 16 A mysterious disease of the times.
- 26 The union of soul and economics. [...]
- 28 A chapter that can be skipped by anyone who has no very high opinion of thinking as an occupation.
- 34 A hot ray and walls grown cold.
- 39 A Man Without Qualities consists of qualities without a man.
- 62 [H]omage to the Utopian idea of Essayism.
- 83 [...] Why does one not invent history?
- 89 One must move with the times.
- 92 Excerpts from rich people's code of living.
- 98 Concerning a State that perished for want of a name.
- 100 General Stumm invades the State Library. [...]
- 324 Agathe is really there.
- 330 Ulrich and Agathe in search of grounds for past action.

## META-ARTEFACTS.

- 1 Which, remarkably enough, does not get anyone anywhere.
- 20 A touch of reality. [...]
- 25 Sufferings of a soul in matrimony.
- 30 Ulrich hears voices.
- 41 Rachel and Diotima.
- 46 Ideals and morality are the best means of filling the big hole that one calls the soul.
- 56 [A] Nietzsche Year.
- 58 [I]n the history of mankind there is no such thing as turning back of one's own free will.
- 68 A digression: Do people have to be in harmony with their bodies?
- 74 The fourth century b.c. versus the year 1797. [...]
- 111 So far as jurists are concerned, there are no semi-insane people.
- 123 The turning point.
- 338 A great event is on the way. But nobody has noticed it.
