Michael Morrill, Green Party Candidate for Governor

Michael Morrill has served as the executive director of the Pennsylvania Consumer Action Network (PCAN), PA's independent consumer and environmental advocacy organization, since its founding. Mr. Morrill served as the lead organizer for Unity 2000, the major march and rally held on the eve of the Republican Convention in Philadelphia on July 30. Before serving as executive director of PCAN, he was the PA director of Citizen Action. He has also served as executive director of Pennsylvania's Campaign for Choice, the Christian Churches United of the Tri-County Area (Harrisburg) and the Rhode Island Community Food Bank.

Mr. Morrill has spoken on social justice issues in 25 states and over a dozen countries, been called to testify on working people's interests by the U.S. Senate and numerous state legislatures, and had his written work published in newspapers and magazines across the country. He is considered one of Pennsylvania's leading consumer advocates, especially on utility issues, campaign finance reform and fair trade issues.

The Progressive Student Alliance, a Campus Greens affiliate at Carnegie Mellon, is proud to welcome Mr. Morrill to speak before our school. His reputation of honesty, perseverance, and citizen focused priorities precede him.
