

# 15-749/15-449: Engineering Distributed Systems Spring 2014

## Student Agreement for Loan of Android Smartphone

Student Name: \_\_\_\_\_

Student ID: \_\_\_\_\_

Department: \_\_\_\_\_

Student email: \_\_\_\_\_

MEID of Smartphone: \_\_\_\_\_

I have received the smartphone whose MEID is listed above. I understand that this equipment is Carnegie Mellon property and is being loaned to me as a student for doing the project assignments in this course.

I solemnly promise that I will:

- take good care of this equipment, using the same level of care that I use for my personal property.
- return the equipment at the end of the course, or at any earlier time if so requested by the instructors.
- return the equipment immediately if I drop the course.
- not violate Carnegie Mellon computing facility guidelines when using this equipment.
- only use this equipment for activities directly related to this course, and not for any other purpose.
- take personal responsibility for backing up any valuable data that I create or modify on this equipment, recognizing that it is running experimental software that may suffer failures and lose data at any time.

I understand that failing to promptly return this equipment in good condition by the end of the course is illegal, and may be treated by the university as theft of its property.
