

Lubetz Studio  
Spring 2007

### Defining

"The idea becomes a machine that makes the art."

-Sol Lewitt

"Form can be detected as the nature of something."

"Form, in the platonic sense of idea..."

"Art is the making of meaningful form."

- Louis Kahn

"The form is the content."

- James Baldwin

"...form being substance rendered visible."

-Victor Hugo

Define the following terms in relation to art and architecture. Submit a minimum of half of a typed page PER word. You are to gain a knowledge of each term and its relationship to the other terms for in-depth discussions in studio.

- concept

- idea

- image

- shape

- form

- symbol

- communication

- diagram
