四季

一年四季，每個季節都好特別。大家都會做唔同嘅嘢，着唔同嘅衫，城市都有唔同嘅景色。

宜家係秋天，天氣有啲凍，好天嗰時秋風吹嘍面度，好舒服。樹葉都變成金黃色，鋪嘍條路度，好靚。

冬天嗰時就會落雪。雪花係白色嘅，嘍天度飛，好似一個個小精靈噉嘍風裏邊跳舞。有啲人會嘍雪山度滑雪，仲有人中意坐住塊板從山坡度嚟落來。

春天係綠色嘅。草裏邊仲有彩色嘅花添。融咗嘅雪水變成一條溪仔，條路都濕^{sap1nap6nap6}潤。

夏天好熱，太陽好猛。好多人中意去海邊游水，嘍沙灘度曬太陽。Pittsburgh 夏天嗰時成日落雨，不過落雨嗰時擔遮嘅人就少過香港。

你最中意邊個季節？乜嘢天氣？你嘅城市嗰時係乜嘢樣？嗰時你中意做乜嘢？

Four Seasons

There are four seasons in a year, and every one of them is special. In different seasons, people do different things and wear different clothes. Cities look differently.

It is now fall. The weather is a little cold. The autumn breeze blows into one's face when the weather is good. Comfortable. Leaves turn golden yellow, covering the roads. Beautiful.

It snows in winter. The snowflakes are white, drifting down from the sky. They are like fairies dancing in the air. Some people ski in the mountains. Some others like to slide on a board from the top of the hill.

The color for spring is green. There are flowers of different colors in the meadow. Melted snow turns into small streams. The roads are wet.

Summer is hot. The sun glares. Many people like to swim in the sea or sunbathe on the beach. It rains a lot in Pittsburgh during summer, but fewer people use umbrellas in Pittsburgh than in Hong Kong.

What's the season you like best? Your favorite weather? What would you like to do then?
