

**Scene Design One-Grade Sheet
Spring 2011**

Student _____

Television Project

Grading Methodology

You will be asked to have each of the following people fill in and sign their portion of this grade sheet. You will then return it to me for my contribution.

Dear Television Project Supervisors: Please circle the number below that you feel best represents a particular student's level of participation in the TV Project. "10" would indicate "no room for improvement". "6" would indicate "did the very bare minimum to support the program and that the quality of work was not stellar. "0" would be didn't show, didn't call, put others processes in jeopardy. Thank you for your help with this!
