

**Photoshop for the Theatrical Designer-Grade Sheet  
Spring 2012**

Student \_\_\_\_\_

***Sketch-Up Project***

**Grading Methodology**

Each category will be assigned a number. In order to weight ideas differently, that number will shown as a fraction, for example: 13/15 would be 13 points earned out of a total of 15 possible. This project will be worth a 15% of your grade, thus a total of 15 points.

**Assignment Parameters**

**Create a structure in Sketch-Up that involves the following:**

- Is composed based on research from a photo
- Several volumes converging
- materials
- use of the push/pull tool
- use of the follow me tool
- Some resemblance to a recognizable structure
