

## Science Libraries Information Guide

### Masters in Energy Science, Technology & Policy program

**Library Homepage:** <http://search.library.cmu.edu>

Click on "[Research Guides](#)" to find relevant resources in your discipline concentration.

At the *Sorrells Engineering & Science Library* (4400 Wean Hall) you will find materials covering all the science and engineering fields. At the *Hunt Library* you will find materials covering public policy as well as the fields of social sciences, business and the arts. Biology and Chemistry materials are held: *Mellon Institute Library* (4400 Fifth Ave., 4<sup>th</sup> fl).

- [Off Campus/Wireless Access](#): use this link to get to all CMU resources from anywhere on the planet.
- [Book Loan Period](#)  
Graduate: 90 days – 100 books - 1 renewal per book.
- **Journals** – can be checked out for 24 hours.
- [Photocopiers and Scanners](#) – Available at all libraries
- [Printing](#) - Swipe your CMU ID card at the library printer release station.
- **Renew your materials online.** Use "[My Account](#)" link to renew items.
- **Need materials that Carnegie Mellon does not own?**  
Use [Interlibrary Loan](#) Request articles, books, and other items.  
**Questions about ILL?** call: 412-268-7215 or email: [es82@andrew.cmu.edu](mailto:es82@andrew.cmu.edu)
- **Local libraries you can borrow from (in person)**
  - [The Carnegie Library of Pittsburgh](#)
    - With your Carnegie Mellon ID card and proof of local residence, go to the Main (Oakland) Library desk for a library card.
  - [The University of Pittsburgh Library System](#)
    - With your Carnegie Mellon ID and proof of current registration, go to the [Hillman Library](#) lending desk, lower level for a borrowing card.

[Articles & Databases](#) on Library's home page: <http://search.library.cmu.edu>;

→ ***Recommended Databases***

- **[Environment & Energy Publishing \(E&E\)](#)**  
E&E is the leading source for comprehensive, daily coverage of environmental and energy policy and markets with five daily online publications are considered “must-reads” by people who track and influence energy, environmental and climate policy.
- **[Environmental Impact Statements: Digests](#)**  
Access to the hundreds of environmental impact statements issued each year by the federal government. Entries include a clear description of the project, sections on positive impact and negative consequences and legal mandates.
- **[Environmental Science & Pollution Management](#)**  
This multidisciplinary database, provides comprehensive coverage of the environmental sciences. Abstracts and citations are drawn from over 10,000 serials including scientific journals, conference proceedings, reports, monographs, books and government publications.
- **[IEEE Xplore](#)** - Full text of all IEEE and IET journals and conference proceedings. Also includes all current IEEE standards. Research journals from IBM also available.”
- **[Knovel](#)** - full-text manuals, handbooks, and encyclopedias, plus interactive tools for data analysis.
- **[Scopus](#)** and **[Web of Science](#)** (WhoCitedWho databases...)

**HINT:** [Zotero](#) free of charge Citation Manager, FireFox extension  
[Mendeley](#), free of charge Citation Manager
