Bloomberg's Recruitment Village is making a stop at Carnegie Mellon University on **December 1st from 11am to 5pm in Rangos Room #2-** University Center and we want to meet you and your colleagues! We will have managers from several of our larger departments, more specifically from Programming, Sales, Marketing, Finance and Operations available to speak with your students about full-time employment and or internships for this spring and summer. We would really appreciate your help in marketing this event to your students and/or colleagues as we have had great success in the past with CMU students and would like to continue this trend for the future.
