Dear Folks: On the left we have a loving couple standing on the sidewalk to have their picture took! Embraced in each others arms and smiles on their faces that carry your heart away they look as happy as two turtle doves. Incidentally this picture was taken on October 20th in the year nineteen hundred thirty five A.D. — Lu

To the right we see two track men? Resting after a hard 75 foot run. They run a minute and rest thirty. Notice their letters?
