

We're redesigning the Sorrells Library!

*The Roger Sorrells Engineering & Science Library is set for a redesign to be completed during Summer 2013. We're taking ideas for what you want to see in **your new library**. Use the floor plan below to tell us what you want and where you want it. All ideas are welcome - the sky's the limit (don't forget to look up)! Please return your ideas to the Sorrells Library Circulation Desk and let your friends know what we're up to.*

But wait - there are a few things we *need* in the library. Please include these in your design:

- Offices for staff (3) and librarians (4)
- A Service Desk
- Other normal library stuff (books, computers, photocopier)

*Current
Entrance*
