

## *Speaker Profile*

### **Contact Details**

**Organization  
Name:** Center for  
Nanostructured  
Materials  
Technology

**Address:** P.O. Box  
131, Cheongryang,  
Seoul 130-650,  
Korea

**Phone:** +822-958-  
6991

**Fax:** +822-958-  
6999

**Email:**  
[shsuh@kist.re.kr](mailto:shsuh@kist.re.kr)

**Website:**  
<http://cnmt.kist.re.kr>

**Name:** Sang-Hee Suh

**Title:** Director

**Institute:** Center for Nanostructured Materials Technology

**Dr. Sang-Hee Suh** is currently the Director of the Center for Nanostructured Materials Technology, which is sponsored as one of the 21<sup>st</sup> Century R&D programs by the Ministry of Science and Technology of Korea. He received B.Sc. in Metallurgical Engineering from Seoul National University in 1974, M.S. in Materials Science and Engineering from Korea Advanced Institute of Science and Technology in 1976, and Ph.D. in Materials Science & Engineering from Northwestern University in Evanston, IL U.S.A. in 1982. Since he joined Korea Institute of Science and Technology in 1976, his research interests have focused on manufacturing of tool steels and heat resistant super alloys, and processing of HgCdTe infrared detector materials and devices. He has authored or co-authored over 90 publications.
