

Due Date: \_\_\_\_\_ *Turn in to Psychology Advising, 3117 Sennott Square; 412.624.4540*

**General Information:** (Note: Your comments will be *confidential*. Your supervisor(s) will *not* receive a copy of your evaluation.)

Student's Name: \_\_\_\_\_ Student's Email: \_\_\_\_\_

Faculty Supervisor Name: \_\_\_\_\_

*If a graduate student or post-doc supervises you as well, please list his/her name:* \_\_\_\_\_

**Evaluation of Experience:** (Note: Your comments will be *confidential*. Your supervisor(s) will *not* receive a copy of your evaluation.)

1. How have your responsibilities on the project changed since mid-term?

2. Overall, how did this experience compare to your initial expectations?

3. What advice would you give to someone considering working on this particular research project? About pursuing directed research in general?

4. APPROXIMATE HOURS COMPLETED TO DATE: \_\_\_\_\_

*OVER*

**Evaluation of Supervisor:** (Note: Your comments will be *confidential*. Your supervisor(s) will *not* receive a copy of your evaluation.)

5. Who supervised you most closely on this project?
6. How would you describe the overall quality of your supervision and training?
7. Have you had any problems or concerns with your supervisor since mid-term? If so, how have you handled them?  
*Please feel free to discuss your concerns with the Directed Research Supervisor, Matt Bundick, as well.*
8. Would you recommend this specific supervisor to another student? Why or why not?

**Evaluation of Self:** (Note: Your comments will be *confidential*. Your supervisor(s) will *not* receive a copy of your evaluation.)

9. Overall, what has this experience taught you about conducting psychological research?
10. How has this experience impacted your future career plans (e.g., plans for graduate school, jobs, etc.)?
13. Please rate your overall directed research experience.
