

**Prerequisite Waiver
PSY 1903 Directed Research**

Students must complete several prerequisites in order to register for PSY 1903 (Directed Research). As the research supervisor, you can waive these prerequisites for a specific student.

_____ ***has not met*** the requirements that have been marked with a check.
(Name of student)

- è overall QPA 3.0 or higher
- è completed 12 credits of psychology (including current term)
- è completed (or is currently enrolled in) STAT 0200/1000/1100
- è completed (or is currently enrolled in) PSY 0035: Research Methods in Psychology

I have met with the student and agree to waive the above indicated prerequisites for the following reasons:

Research Supervisor: _____ Signature: _____ Date: _____
